NAKAMA is a non-profit scanlation group bringing you high-quality unlicensed manga. All of our releases are labors of love for the yaoi fan community intended to make available titles that would be otherwise unattainable. We **STRONGLY** encourage readers to buy the US releases in order to support the growing yaoi industry and remind you that nothing is as good as the real thing (be it manga or chinko-age! hehe)

Please also remember that these scanlations are intended for **PRIVATE** use only!

JUST A FEW NOTES ON OUR DISTRO POLICY

Do not steal our links! If you are going to share our work please upload them to your own server or outside link

When posting Links or Downloads to our works on other sites please credit us and provide a link back to our site.

Do not post new releases on other sources, online communities like yaoidaily and aarmFantasy or upload them to other sites until *72 hours* after initial release.

Please do not SELL our projects privately or publicly on sites like ebay or private manga membership sites.

If you are going to make a music video on youtube using our scans, or be otherwise creative with them. Icons, Webpages or Artsy things. Please let us know. We'd love to see it ourselves and even provide links back to it!

Finally, the following pages are considered **ADULT** in nature and occasionally contain explicit or what some may consider offensive, content

Please heed the warnings and do not read or access if you are not of legal viewing age in your area. By downloading and continuing to read this zip **YOU AGREE** that you have **READ UNDERSTOOD AND AGREED** to these terms and conditions.
